

LIST OF FIGURES

Figures	Title	Page No.
Figure 2.1	Female Representation on Youth Literacy Rate, Sex Ratio and Labour Force Participation at World, South Asia and India (2000)	35
Figure 2.2	Female Representation on Youth Literacy Rate, Sex Ratio and Labour Force Participation at World, South Asia and India (2013)	36
Figure 2.3	Male Employment in Agriculture Sector by Region	42
Figure 2.4	Male Employment in Industry Sector by Region	43
Figure 2.5	Male Employment in Services Sector by Region	44
Figure 2.6	Female Employment in Agriculture Sector by Region	44
Figure 2.7	Female Employment in Industry Sector by Region	45
Figure 2.8	Female Employment in Services Sector by Region	45
Figure 2.9	Main workers by Educational level and Sex- Census 2011	60
Figure 2.10	Marginal workers by Educational level and Sex- Census 2011	61
Figure 2.11	Non-workers by Educational level and sex-Census 2011	62
Figure 3.1	District wise Livestock Popoluation-2012	89
Figure 5.1	Marital Status of the Respondents	125
Figure 5.2	Entry to formal Qualifications of Respondents	125
Figure 5.3	Educational Qualifications of Respondents	126
Figure 5.4	Occupations of the Respondents	129
Figure 5.5	Programmes or Advertisement Related to Women Watched by the Respondents	131
Figure 5.6	Message received from the Programmes by the Respondents	132
Figure 5.7	Reason to Work by the Respondents	136
Figure 5.8	Decision in inputs & Outputs in the Field- East District	138

Figure 5.9	Sells of crops - East District	138
Figure 5.10	Decision in inputs & Outputs in the field- West District	138
Figure 5.11	Sells of crops - West District	138
Figure 5.12	Decision in inputs & Outputs in the field- North District	139
Figure 5.13	Sells of crops - North District	139
Figure 5.14	Decision in inputs & Outputs in the field- South District	140
Figure 5.15	Sells of crops - South District	140
Figure 5.16	Decision in inputs & Outputs in the field- Sikkim	141
Figure 5.17	Sells of crops – Sikkim	141
Figure 5.18	Average Monthly income of Respondents- East District	142
Figure 5.19	Contribution to the total family income of Respondents -East District	143
Figure 5.20	Average Monthly income of Respondents - West District	144
Figure 5.21	Contribution to the total family income of Respondents -West District	144
Figure 5.22	Average Monthly income of Respondents - North District	145
Figure 5.23	Contribution to the total family income of Respondents -North District	145
Figure 5.24	Average Monthly income of Respondents - South District	146
Figure 5.25	Contribution to the total family income of Respondents -South District	146
Figure 5.26	Decision Regarding money earned by the Respondents	148
Figure 5.27	Number of Respondent to Manage to Save Income Earned	149
Figure 5.28	Methods Adopted to Save Money by the Respondents	150
Figure 5.29	Various Reasons for lacking Permanent Employment by the Respondents	151
Figure 5.30	Permission given to the respondents to work outside to the household (District wise)	152
Figure 5.31	Number of the Respondents Beneficiary of Agricultural Training	153

Figure 5.32	Number of Respondents Holding Landed Property	154
Figure 5.33	View of the Respondent Holding of Property by Women	155
